The Friends of Newport Rugby Trust would like to welcome all the supporters, players and officials of Aberavon RFC to Rodney Parade for today's league fixture. The Black and Ambers will be looking to follow on from the Neath fixture last week and get another 'double' of the season after winning the opening game of this season's Principality Premiership 23-20 deep into added on time!

IT's a success for FoNR!

Newport RFC would like to express sincere gratitude to the FoNR for providing us with a Netbook. It will be invaluable in enabling us to fulfil our obligations as a Welsh Premier Club.

The demands placed on Premier clubs is ever increasing and the Netbook will now mean that we can provide required match information in a timely manner - this includes team and match preview information to WRU and press, match details immediately after match end for all home and away matches and also match reports. It will also enable timely updates to the official Newport RFC web-site.

This latest donation from FoNR is another fine example of what the Trust does in supporting Newport RFC and the club is once again indebted to the Trust.

'Follow' us on Twitter and 'Like' us on Facebook – keep up to date with the latest news, reviews and competitions – don't forget our website too – www.fonr.co.uk.

Missed any Black and Amber action? Not any more! All of Newport's game highlights are now uploaded onto the Official Newport RFC website. Newport RFC were the first Welsh Premiership Club to have this facility – again Newport RFC lead the way in Welsh rugby!
